ProClip®

Left Dash Mount for Dodge Hornet

Part #805859

\$44.99

The Dodge Hornet Left Dash Mount is made specifically for your vehicle starting in 2023 (See below for full list of compatibility). The mount attaches to the left of the steering wheel. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

Notice:??Consider how the device, or horizontal position, will fit the location and could interfere with vehicle functions. Some larger devices may not fit.

Device Holder NOT included, sold separately.

Features

This exact-fit ProClip dash mount is designed specifically for your Dodge Hornet and securely attaches to the left of the steering wheel.

- Convenient left-side phone or GPS mount location
- Secure fit. No flimsy vent clips or bulky suction cups
- · Easily installed with no drilling required
- High-quality and designed specifically for your vehicle
