Part #216414

\$89.99

The ModTek Hard Case is a rugged case designed for the Samsung Galaxy Tab A7 Lite 8.7". It allows for a direct USB-C connection between the tablet and the ModTek Dock

USB-C is the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities. ModTek enables connections up to 5Gbps with backward compatibility to USB 2.0 devices, while simultaneously charging the tablet.

The ModTek Hard Case offers the ultimate tablet protection, shielding your tablet from the harshest working environments, and has undergone 3rd party military-standard testing including thermal shock, forklift vibration (16Gmrs), USB-C insertion (20K), and 6 ft drop to concrete tests.
