

ModTek Hard Case for Apple iPad mini (6th & 7th Gen)

Part #216416

\$124.99

The ModTek Hard Case is a rugged case designed for the iPad Mini (6th and 7th Gen). It allows for a direct USB-C connection between the tablet and the ModTek Dock.

USB-C is the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities. ModTek enables connections up to 5Gbps with backward compatibility to USB 2.0 devices, while simultaneously charging the iPad.

The ModTek Hard Case offers the ultimate iPad protection, shielding your tablet from the harshest working environments, and has undergone 3rd party military-standard testing including thermal shock, forklift vibration (16Gmrs), USB-C insertion (20K), and 6 ft drop to concrete tests.
