

Tablet SlingMount for iPad mini 5th Gen

Part #102613

\$49.99

The Universal SlingMount™ is the easiest way to turn any table case into an over the shoulder sling. Simply bond the Mounting Plate to the back of the device case (OtterBox uniVERSE included), then, insert the sling attachment when needed. Ideal for Hospitals or Worksites where cases have been purchased and you are looking for a safer way to carry devices.

The Mounting Plate is the same one used for the Tablet Belt Clips, making the whole system modular.

Features

- SlingMount™ allows you to easily carry a table on your belt like any other tool
- Includes OtterBox uniVERSE Case
- Easy to assemble Mounting Plate secured with peel and bond adhesive
- Provides instant access to tablet in less than 1 second
- Reduces the probability of loss and theft
- Perfect for jobs that require two hands
- Eliminates fumbling in cumbersome bags and packs
