Product Overview

Add an extra layer of physical security to your ModTek System with the ModTek Key Lock Module. With just a simple press of a button, you can securely lock your tablet in the ModTek Hard Case into place in the ModTek Dock, providing you peace of mind and unparalleled security, knowing that your tablets won't disappear off the job site.

Included are two high-quality keys designed for swift and reliable unlocking, allowing you quick and easy access whenever you need it.

Installation is a breeze with the included fastener kit. No professional installation is required.

Features

- Hassle-free protection with a simple button press, ensuring your device is securely locked
- Each Key Lock Module comes with two keys, providing you with a reliable means to unlock your devices
- Easy to install to ModTek Dock with included tools. No professional installation required
