

Standard Charging Holder for iPhone 15 Pro | iPhone 15 - Bare Phones Only

Part #721369

\$164.99

Always keep your battery fully charged with this high quality custom made holder. This charging holder is a cradle style mount custom made for a perfect fit with your device. It has a dock connector for easy connection of the device to the holder and a power cord with a USB plug connects to the USB port in the cigarette lighter plug for connection to a power outlet in the vehicle. The USB power cord can also be plugged into a USB port in the car for direct charging. The holder angles 15 degrees for optimal viewing and can swivel 360 degrees. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, pedestal mounts or handlebar mounts. Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.
