

ModTek Hard Case for Rhino T80 8" Tablet

Part #216471

\$79.99

The ModTek Hard Case is a rugged case designed for the Rhino T80 8" Tablet. It allows for a direct USB-C connection between the tablet and the ModTek Dock. The Rhino T80 8" tablet is a USB 2.0 device and is limited to either Charging or Data. The device cannot support full simultaneous charging and data.

USB-C is the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities.

The ModTek Hard Case offers the ultimate Rhino protection, shielding your tablet from the harshest working environments, and has undergone 3rd party military-standard testing including thermal shock, forklift vibration (16Gmrs), USB-C insertion (20K), and 6 ft drop to concrete tests.
