

Charging Cradle with Key Lock and Cigarette Lighter Adapter for Samsung Galaxy Tab Active5, Tab Active3

Part #735386

\$124.99

This cradle is designed to fit the Samsung Galaxy Tab Active5 and Tab Active3.

The high sidewalls help make it easy to align and dock the tablet and keep it stable in the cradle through vibrations normal in a vehicle. This cradle features a key lock that keeps the tablet secured in the cradle until the lock is released.

Charging is done using Pogo Pins to provide a durable charging connection for the entire life of the tablet. The cradle is wired directly to a Cigarette Lighter Adapter.

The USB-C port and headphone jack are available to be used while docked.

The AMPS pattern is used on the cradle and is compatible with ProClip vehicle, pedestal, pipe and forklift mounts.

Features

- Key Lock secures the tablet in the cradle
