

ModTek Hard Case for Samsung Tab A9+

Part #216473

\$99.99

The ModTek Hard Case allows for a direct USB-C connection between the tablet and the dock. USB-C has become the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities. ModTek enables connections up to 5Gbps with backward compatibility to USB 2.0 devices, while simultaneously charging the tablet.

ModTek offers the ultimate protection. It shields your tablet from daily wear and tear in the harshest conditions while providing easy access to device functions.

ModTek has undergone independent 3rd-party testing. This includes thermal shock, forklift vibration (16Gms), USB-C insertion (20K), and 6 ft drop to concrete tests. This ensures that your tablet remains protected and fully functional even in the harshest environments.

CASE: US Patent 11,815,224 | DOCK: For use under US Patent 11,815,224

Features

- Effortless one-handed docking and undocking
- Easy access to all buttons, ports, cameras and the screen
- Shock absorbing springs provide the ultimate protection – drop tested to concrete from 6 ft
- Finger wells allow for a comfortable and ergonomic grip

Compatibility

- Samsung Galaxy Tab A9 Plus (SM-X210)
