Product Overview

The ModTek Hard Case is a rugged case designed for the Samsung Tab A11+ and Tab A9+. It allows for a direct USB-C connection between the tablet and the ModTek Dock.

USB-C is the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities.

The ModTek Hard Case offers the ultimate protection, shielding your tablet from the harshest working environments, and has undergone 3rd party military-standard testing including thermal shock, forklift vibration (16Gmrs), USB-C insertion (20K), and 6 ft drop to concrete tests.

CASE: US Patent 11,815,224 | DOCK: For use under US Patent 11,815,224

Features

- Effortless one-handed docking and undocking
- Easy access to all buttons, ports, cameras and the screen
- Shock absorbing springs provide the ultimate protection – drop tested to concrete from 6 ft
- Finger wells allow for a comfortable and ergonomic grip
