## Product Overview

The ModTek Hard Case is a rugged case designed for the TCL Tab 8 LE 8" tablet. It allows for a direct USB-C connection between the tablet and the ModTek Dock.

The TCL Tab 8 LE 8" tablet is a USB 2.0 device and is limited to either charging or data. The device cannot support full simultaneous charging and data.

USB-C is the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities.

The ModTek Hard Case offers the ultimate protection, shielding your tablet from the harshest working environments, and has undergone 3rd party military-standard testing including thermal shock, forklift vibration (16Gmrs), USB-C insertion (20K), and 6 ft drop to concrete tests.

CASE: US Patent 11,815,224 | DOCK: For use under US Patent 11,815,224
