Product Overview

Our Honeywell EDA10A cradles are the perfect choice for when you want your device firmly mounted within easy reach. Not only offer a secure resting place for your device but also ensure it's always protected and ready to go. There is full access to the camera and all buttons. With robust construction, they're the ideal solution for enhancing protection and convenience in any setting.

The holder is equipped with a tilt swivel so you can easily adjust the angle to get a good view of the screen, or switch between portrait and landscape positions. Tilttable 15° and rotatable 360°. Mounting plate 42x50 mm with pre-drilled AMPS holders.

Features

- Custom fit to device with Protective Boot
- Includes tilt-swivel to angle cradle 15 degrees any direction
- Rotate between portrait and landscape view
- Charging-Cradle with Hard Wire Power Supply
- Easy one handed docking and undocking

Specifications

- Input: 12-24V
- Output: 12V, 3A
- Pogo Pin Connector
