Product Overview

The MagicMount Charge Elite provides fast, wireless charging with Qi2 technology, ensuring optimal power delivery and efficiency for compatible iPhone and Android devices.

Fast wireless charging - Delivers up to 15W of wireless power to MagSafe-enabled iPhone models, as well as Qi2-compatible Android phones. [1]

Strong magnetic hold - The Magnetic Power Profile is engineered for precise magnetic alignment, maximizing energy efficiency, charging speeds, and ensuring secure phone attachment.

Integrated cable storage - Eliminate messy cables with the built-in system that coils and conceals excess cable behind the charging head.

Optimal viewing angles - The mount's ball joint allows for easy adjustments to achieve the ideal viewing angle.

Features

- Provides up to 15W wireless charging
- Magnet Compatible: Works with all MagSafe, Pixelsnap, Qi2 MPP, and devices with compatible cases or adapter rings
- Built-in cable storage for a clean look
