Product Overview

Ensure your battery stays consistently charged with this meticulously crafted, high-quality holder designed specifically for your tablet. Tailored to fit tablets without a case, this holder boasts a sleek and inconspicuous design, complemented by a permanently attached power cable. Effortlessly slide your device in and out of the holder, eliminating the need to search for it in cup holders or passenger seats. Enhance driving safety by facilitating a secure and convenient way to view, access, and operate your device while on the road.

Features

- Key lock for security of tablet
- Custom fit to tablet
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view
