

2 Pack - Locking Move Clips for Holders without Swivel

Part #100502

\$34.99

The Locking Move Clip as a quick release solution for ProClip device holders. If you use multiple different devices or have multiple drivers sharing a vehicle the Locking Move Clip may be for you. It allows you to easily slide a holder on and off of a mount. On top of the Locking Move Clip there is a tab that keeps the holder securely in place. By pressing on the tab you can easily remove the holder.

Easily switch your device holder between vehicles!

Features

- Quick release tab for easy device removal
- Allows you to switch device holders without changing the pedestal/vehicle mount
- Fits all ProClip Device Holders with tilt swivel
