Product Overview

This high-quality custom charging cradle is designed for the Zebra TC15 in the Rugged Boot. It keeps the device facing the operator and features the industry-standard AMPS hole pattern, perfect for mounting equipment in vehicles and other mobile applications. This cradle can be easily attached to any compatible pedestal, forklift mount, or vehicle mount. It also includes a hard-wired power supply that provides power to the Zebra TC15 through the pogo pins.

Features

- Fits Device in Rugged Boot
- One-Handed Docking and Undocking
- Hard-Wired Power Supply
