

Cig-Plug Charging Cradle for Zebra EM45 with Rugged Boot

Part #721412

\$129.99

This is a high-quality custom charging cradle designed for the Zebra EM45 with Rugged Boot with the Protective Boot. This holder does not fit the HealthCare model because it does not have a USB-C port.

This keeps the device facing the operator and features the AMPS hole pattern, which is industry standard for mounting equipment in vehicles and moving applications. This holder will attach to any compatible pedestal, forklift mount or vehicle mount.

This cradle includes a Dual USB Cigarette Lighter Adapter that provides power to the Zebra EM45 with Rugged Boot through the USB-C port.
