

Clipboard Slide Mount for Bombardier CRJ 200/700/900

Part #246479

\$54.99

The Clipboard Mount is designed to slide or hook over clipboard by the pilot on each side in the cockpit. The concept is a two-part solution; a mount in the airplane and a tablet holder that attaches to it. The mount is pilot removable and the tablet holder can easily be removed from the mount for easy carrying. The quick release plate is designed to quickly attach and remove a tablet holder e.g. for iPad and Surface.

Features

- Easily attach to the back of a ProClip Tablet Cradle
- Securely holds your clipboard
- Quick release for easy insertion and removal of clipboard
