Product Overview

This high-quality custom non-charging cradle is designed to fit the Datalogic Memor 12-17 with protective boot. This cradle accommodates the standard and extended battery.

This high quality custom made cradle with a neat and discreet design keeps your device in an upright position for better reception. Easily slide your device into the cradle then tilt or rotate for optimal viewing. This cradle includes a hard-wired charger with a USB cord.

No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle. The cradle comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.

Features

- Designed to fit the device with Rugged Boot
- Easily angle the cradle 15 degrees in any direction
- Quick one-handed docking and undocking
- Accommodates standard and extended battery
