

Hard-Wired Charging Cradle for Sonim XP Pro - Bare Device

Part #713442

\$159.99

Securely mount and charge your Sonim XP Pro with this exact-fit cradle, designed for your device without a case.

The cradle features an industry-standard AMPS hole pattern, allowing for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts, or cart/bar mounts.

An integrated charging cord with hard-wired power supply, allows charging your device from the vehicle's power system.

Constructed from high-quality materials, it offers a stable and protective solution for your device. The integrated tilt-swivel mechanism enables a 15-degree adjustment and rotation in any direction; providing optimal viewing angles and minimizing glare.

For a complete mounting solution, pair this cradle with a ProClip mount.
