Product Overview

Optimize your workflow with the ProClip Cable Attachment Cradle, specifically designed for the Honeywell CK67 with Rugged Boot.

Allows the Honeywell cable (236-297-001) to be secured directly into the cradle. Allowing the device to charge directly in the cradle.

This custom-fit cradle ensures a secure hold, keeping your device facing the operator for easy access. Its drop-in design facilitates quick, one-handed docking and undocking, enhancing operational efficiency.

Machined from high-grade ABS plastic, the cradle offers durability and reliability in demanding environments. Featuring an industry-standard AMPS hole pattern, it allows for versatile mounting options on various surfaces, including vehicle dashboards, pedestals, forklifts, and carts. Please note, this cradle does not include a tilt-swivel feature.

Features

- Custom fit to your device with rugged boot
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view
- Fits Honeywell Charging Cable #236-297-001
- Power Supply Not Included
