## Product Overview

Direct USB-C Charging Cradles for Zebra ET60 | ET65 Windows ensure a secure mount, effectively protecting the device from wear and tear. These cradles have been rigorously tested for forklift vibration (16Grms) and USB-C insertion (20K) to ensure your tablet remains securely docked and fully functional in the harshest working environments

These cradles offer direct USB-C access to the tablet, enabling simultaneous rapid charging and high-speed data transfer under the Power Delivery (PD) 3.1 standard. <sup>1</sup>

The USB-C connection is versatile, allowing for seamless integration with various accessories such as scanners, keyboards, printers, and more. Additionally, the design of the cradle facilitates easy one-handed docking and undocking, enhancing user convenience.

## Features

- Power Supply Sold Separately
- Includes Retention Lock for added security and quick device removal
- Direct USB-C access between tablet and cradle
- Fits standard or extended battery
- Only for the Windows version of the device
