Product Overview

The 5-Slot Desktop Charging Dock includes five USB-C charging cradles attached to a sturdy flat base for tabletop or wall mounting.

Direct USB-C Charging Cradles for Zebra ET60 | ET65 ensure a secure mount, effectively protecting the device from wear and tear. While the movable USB-C connector allows the cradle to fit the Android or Windows version of the ET60|ET65.

These cradles offer direct USB-C access to the tablet, enabling simultaneous rapid charging and high-speed data transfer under the Power Delivery (PD) 3.1 standard. The USB-C connection is versatile, allowing for seamless integration with various accessories such as scanners, keyboards, printers, and more. Additionally, the design of the cradle facilitates easy one-handed docking and undocking, enhancing user convenience.

Features

- Power Supply Sold Separately
- Includes Retention Lock for added security and quick device removal
- Direct USB-C access between tablet and cradle
- Works with ET60|ET65 Android and Windows versions
