Product Overview

Securely mount your device with this custom-fit cradle. Constructed from high-quality materials, it offers a stable and protective solution for your device. The integrated tilt-swivel mechanism enables a 15-degree adjustment and rotation in any direction, providing optimal viewing angles and minimizing glare.

This product does not include a power supply.

The cradle features an industry-standard AMPS hole pattern, allowing for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts, or cart/bar mounts.

For a complete mounting solution, pair this cradle with a ProClip mount.
