Product Overview

Securely mount your device with this custom-fit left dashboard mount, designed specifically for the RAM trucks starting in 2019.

The mount attaches to the vehicle, providing a stable platform within easy reach of the driver's seat. It clips tightly into the seams —no drilling or dismantling required—ensuring a damage-free installation.[1]

Pair with a ProClip device holder to create a personalized mounting solution for your phone, GPS, or other small mobile device.[2]

[1] *Some devices and mounting positions could interfere with other vehicle functions. User discretion required.*

[2] *Device cradle sold separately. ProClip Exact-Fit Dashboard Mounts are meant for phones and other devices of similar size. For devices with screens 8 In. and larger we recommend a Commercial Mount.*

Features

- Convenient left-side tuner or GPS mount location
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
