## Product Overview

The ModTek Hard Case is a rugged case designed for the Rhino T85 (8") Tablet. It allows for a direct USB-C connection between the tablet and the ModTek Dock.

USB-C is the industry standard for mobile devices. Unlike pogo pins, which are susceptible to dust, dirt, moisture, and bending, USB-C offers superior protection and enhanced data capabilities.

The ModTek Hard Case offers the ultimate Rhino protection, shielding your tablet from the harshest working environments, and has undergone 3rd party military-standard testing including thermal shock, forklift vibration (16Gmrs), USB-C insertion (20K), and 6 ft drop to concrete tests.

CASE: U.S. Patent 11,815,224 | DOCK: For use under U.S. Patent 11,815,224
