Product Overview

Securely mount your device with this custom-fit mount, designed specifically for the Ford Transit starting in 2020.

The mount attaches to the passenger seat rail, providing a stable platform within easy reach of the driver's seat. It clips tightly into the seams of the console in seconds—no drilling or dismantling required—ensuring a damage-free installation. ¹

Pair with a ProClip device holder to create a personalized mounting solution for your phone, GPS, or other small mobile device.

¹Some devices and mounting positions could interfere with other vehicle functions. User discretion required.
