Product Overview

This 6 In. Heavy-Duty Pedestal Mount features a compact profile, strength, and flexibility, allowing it to securely hold one or multiple mobile devices, making it superior to its competition.

Superior Strength - Crafted from solid-core aluminum with small interlocking teeth, this mount supports up to 300 lbs. of force. It has the standardized AMPS hole patterns for easy attachment to most device cradles, holders and flat surfaces.

Perfect Angles - Small interlocking teeth with two wing nuts allow joints to be positioned in steps of 11.25°, up to a maximum of 180° (16 different positions).

Modular - Combine this mount with other parts by mixing and matching to create a custom setup that positions your device for optimal viewing and access.

Ideal Use - Perfect for semi-trucks, tractors, forklifts, fleet vehicles, or any flat surface like walls, racks, carts, workbenches, countertops, and heavy
