Product Overview

Keep your phone secure, visible and within easy reach with this adjustable motorcycle handlebar phone mount. Designed for round handlebars 0.79–1.26" in diameter, it provides a stable mounting solution for motorcycles, scooters, e-bikes and bicycles.

Secure Spring-Loaded Grip: The spring-loaded holder keeps your phone firmly held while riding, with easy one-handed insertion and removal.

Reduced Vibration: Rubber-padded sides cushion your phone, help reduce vibration and provide additional grip.

Fits Most Phones: Fits smartphones 2.20–3.62" wide and up to 0.59" thick, including most phones with slim to medium cases.

Adjustable Arm: Two pivot points provide extended reach and flexible positioning. Rotates 360° for portrait or landscape viewing. Choose from one of three arm lengths.

Features

- Spring-loaded grip securely holds your phone while riding
- Rubber-padded sides help reduce vibration and protect your phone
- Adjustable arm provides flexible positioning and viewing angles
- 360° Rotation for portrait or landscape viewing

Alert: Not intended for off-road use.
